Guys, I have to go to the hospital now.

Tell Mom I'm sorry.

I'll call with details when I have some.

Current Mood: scared

Mom got your message. She says do what you need to do. We'll cover.

Mom says you're off the clock for as long as you need it. We're on our way home with the day saved, thanks in no small part to your work last night.

Meaning, interpret "off the clock for as long as you need it" as "You've damned well earned all the down time you want, plus some."

Any and all demands will be met to the fullest extent of our resources, so make 'em. Harpy and Platypus will likely head straight there.

I expect there's a thing or three needs doing.

I'm fairly certain I could take the entire network down inadvertently, given a few tries.

I might even let you borrow it sometimes. That is, if I were to happen to have one.

Oh, she's not so bad. That space alien in the cape has turned her head, is all.

When I decided to be born in February, I must not have realized I'd own a motorcycle. Winter storms play hell with...

Is this conversation grounds for workplace harassment? Not my half of it, of course.

Yep, that one's right there at the bottom of the barrel.

If you decide to come in tonight, call first. I'll send out for pad thai.

Thanks, Uncle Duke.

Lemme see what happens when the Wonder Twins get here. Because driving and the Metro are both out.
